

GORDON RIVER TOUR OPERATORS

Land mammal list for the Macquarie Harbour region

MONOTREMES

Platypus
Echidna

Ornithorhynchus anatinus
Tachyglossus aculeatus

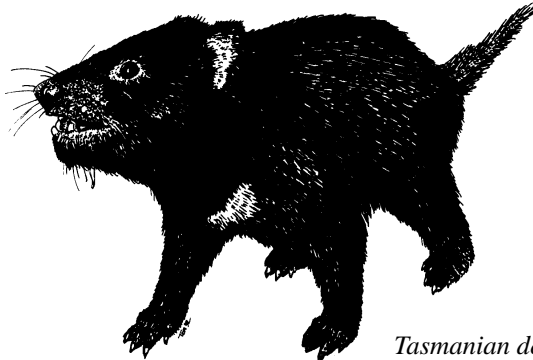

Platypus

MARSUPIALS

Dasyurids (Carnivorous marsupials)

Tasmanian devil	<i>Sarcophilus harrisii</i>
Spotted-tail quoll	<i>Dasyurus maculatus</i>
Eastern quoll	<i>Dasyurus viverrinus</i>
Dusky antechinus	<i>Antechinus swainsonii</i>
Swamp antechinus	<i>Antechinus minimus</i>
White-footed dunnart	<i>Sminthopsis leucopus</i>

Tasmanian devil

Eastern quoll (drawing by Jane Burrell, courtesy of Tasmanian Museum and Art Gallery)

Peramelids (Bandicoots)

Brown bandicoot *Isodon obesulus*

Burramyids (Pygmy possums)

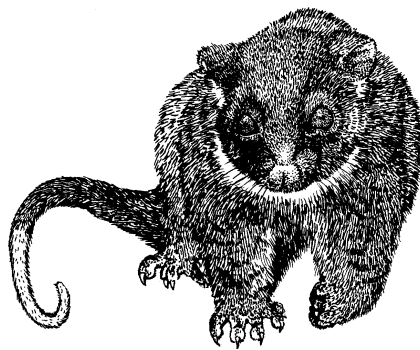

Eastern pygmy possum *Cercartetus nanus*

Phalangerids (Brushtail possums)

Brushtail possum *Trichosurus vulpecula*

Petaurids (Ringtail possums and gliders)

Ringtail possum *Pseudocheirus peregrinus*
Sugar glider *Petaurus breviceps*

Ringtail possum

Vombatids (Wombats)

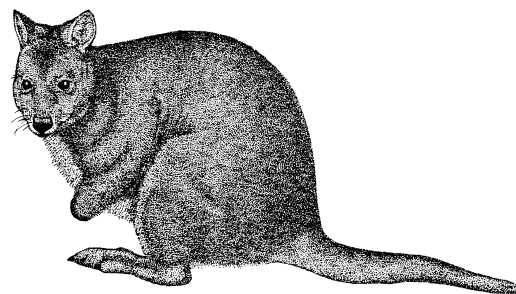

Common wombat *Vombatus ursinus*

Macropods (Wallabies and kangaroos)

Tasmanian pademelon *Thylogale billardierii*
Bennetts wallaby *Macropus rufogriseus*
Long-nosed potoroo *Potorous tridactylus*

Bennetts wallaby

Tasmanian pademelon

PLACENTAL MAMMALS

Murids (Rats and mice)

Swamp or velvet furred rat *Rattus lutreolus*
Long-tailed mouse *Pseudomys higginsii*
Water rat *Hydromys chrysogaster*
Broad-toothed mouse *Pseudomys fuscus*

Vespertilionids (Small bats)

Chocolate wattled bat *Chalinolobus morio*
Lesser long-eared bat *Nyctophilus geoffroyi*
Large Forest vespadelus *Vespadelus darlingtoni**
King River vespadelus *Vespadelus regulus**
Tasmanian long-eared bat *Nyctophilus timorensis sherrini**

* Presumed to occur in the region, but not as yet recorded. This is a reflection of the paucity of studies on the bats of Tasmania, and how little we know about them.
